- **Sterilization** : PP sheets are also used in archival, pharmaceutical and hospitals. It is used for sterilization also.
 - Polypropylene sheet may be wiped down using alcohol with no effect on the material.
 - Ethylene oxide gas sterilization has no effect on Polypropylene sheet and therefore can be used multiple times.

Specifications

Product Name	Saffguard	Product Name	Stagguard
Material	Polypropylene	Material	Polypropylene
Thickness	2mm - 10mm	Thickness	5mm-12mm
Width	Up to 1400mm	Width	Up to 1600mm
GSM	250-2200 GSM	GSM	750mm-4500mm
Color	Multiple	Color	Multiple
Fire	Fire-retardant customisation available	Fire	Fire-retardant customisation available
UV	UV resistance customisation available	UV	UV resistance customisation available
Chemical	Non-reactive to majority of chemicals	Chemical	Non-reactive to majority of chemicals
Recycle	100% recyclable	Recycle	100% recyclable
Electrostatic Discharge	Anti-static	Electrostatic Discharge	Anti-static

***We can customize the size and GSM to your specifications.**
